### The Leprechaun Contraption Project

**Tuesday's Project Work**
Using the materials you chose yesterday, start designing your Leprechaun contraption.

Think about Tuesday's Problem: **"How will my contraption attract a Leprechaun?**

You might want to review yesterday's Leprechaun book to remember what Leprechauns like.

Tell an adult how your contraption will attract a Leprechaun so they can write your answers on the "My Leprechaun Contraption" writing frame.

Your parents might want to take a photo of you while you work.
